# Best of the Triangle

The Best of the Triangle readers' poll is something that our staff looks forward to each year, and this year more than ever.

It's so exciting to surprise area business owners with their awards. Certificates are presented by Dispatch sales reps Luther Shields and myself throughout the months of July and August and this is certainly the highlight of our year.

Below is the list of this year's winners. The top vote-getter is listed as the "Best," while the second and third place winners are referred to as "Among the Best." Please note our Among the Best winners are not necessarily listed in the order of the number of votes they received, and multiple listings under "Best" and "Among

the Best" indicate a tie for that category.

Congratulations to all of our winners and all of those who received votes. We applaud all of our area businesses, especially now when it has not been the easiest of times to be in operation. We appreciate you and salute you for your service, hard work and resilience. This year has been quite memorable.

Thank you also to our readers. We are thankful for your support and the thousands of votes you submitted.

If your name or business is listed below and you did not receive your certificate they can be picked up at The Commercial Dispatch office.

**SAFE**  
in patient safety

Mississippi's leading hospital  
for patient safety just got  
voted **Best Hospital**  
in the Golden Triangle!

NATIONALLY RECOGNIZED  
**A** LEAPFROG HOSPITAL SAFETY GRADE  
STRAIGHT A's 2012-2021

At Baptist Memorial Hospital-Golden Triangle, keeping our patients safe from errors, injuries, accidents and infections is a top priority every day.

That's why the Leapfrog Group has awarded our hospital another 'A' - the gold standard for patient safety. We are the **only hospital in Mississippi** to receive this hospital safety rating for 9 consecutive years and *one of only 27 hospitals in the entire U.S.* that can make that claim.

Now more than ever, safety should be among the top reasons you choose the right hospital for your care.

**Thanks to everyone who voted us Best Hospital in the Golden Triangle.**

"The Best of the Triangle" ... Best Investment Firm, Best Financial Advisor, and Best Financial Planners survey is conducted as a blind poll each year. The Commercial Dispatch, organizers of the award, run a poll each year, and applicants are required to complete an extensive application writing in names for the different categories. For the vote to count the reader has to vote in 75 different categories. The Best of the Triangle references the business located within the Golden Triangle. The Golden Triangle is a common term used to reference the close proximity of the cities Columbus, West Point, and Starkville. One of the primary goals of the survey is to help wealth management firms improve their business operations. Awards listings, rankings, and/or recognition by unaffiliated rating services, and/or publications should not be construed by Financial Concepts as a guarantee that he/she will experience a certain level of results if Financial Concepts is engaged, or continues to be engaged, to provide investment advisory services, nor should it be construed as a warrant or past endorsement of Financial Concepts by any of its clients.
