# Triangle Federal Credit Union Loan Interest Rates Effective June 20, 2014

The interest rate categories listed below apply to all members who qualify for a loan with the credit union. A member's category is determined by the Beacon scoring system provided by EQUIFAX credit bureau. In the case of joint applications, the primary applicant's credit score will be used. The following categories and accompanying interest rates do not represent final approval of a loan request, but rather to serve as a guide to determine the interest rate a member will be charged for a loan. The credit union retains final authority to approve or deny a member's loan request. All rates are subject to change without notice.

All rates are stated as an Annual Percentage Rate.
